

Dear Member,

We are pleased to be able to reopen our doors to you from Autumn 2020. We have worked hard to ensure that youth club is "Covid Secure" in order to make it a safe environment for you to return to. Please read through this letter and attached documents before signing

During these times, you can expect the following at youth club:

- Mandatory use of a face covering by all staff and members
- A one-way system for all staff and members to follow
- Extra hand sanitising stations to allow you to sanitise your hands when moving throughout the building
- Heightened cleaning of surfaces every 60 minutes including door handles, toilet sinks, flush handles and all electronics and shared devices.
- Temporarily the snack bar will not be selling canned drinks

We will have a dedicated mask free zone in the seating area of the main room which you can use to sit & have a drink or snack from the snack bar. As we will not be selling canned drinks, we will instead offer squash & fruit juices which can be given to you in your own bottle which you should bring with you (with your name on). These will be priced similar to our current canned drinks

We will also be limiting the number of people allowed in certain areas of the youth club and will be operating a 2-week rota with one Year group allowed in per evening session. Due to each age group being oversubscribed against our maximum permitted 15 members, you should consider this letter as an invite for you to return to youth club by FIRST contacting 07497856557 to BOOK. You will NOT be permitted to just turn up on the night. We will aim as best we can to group you with friends you know, however it is with regret that at this time, due to the schools "bubbling" we will not be able to group you with friends or siblings from other year groups in school.

**In order to support the NHS Test and Trace system, we may be required to share the contact details we hold as requested by NHS Test and Trace should anyone connected to youth club test positive for coronavirus. Your parent/guardian must sign to approve this at the end of this letter.**

**PRIOR TO ENTRY ALL MEMBERS WILL BE REQUIRED TO UNDERTAKE A CONTACT FREE TEMPERATURE CHECK**

Should your temperature read 37.8c or higher when checked by us, you will not be able to enter the building & must immediately be collected & taken home.

If you, or anyone else in your household has been told to Self-Isolate by NHS Track & Trace then you **Must Not** attend youth club. You must stay at home. If, after attending youth club you are told to Self-Isolate, your parents/guardians must inform us.

We must stress the importance of following our new measures & behaving responsibly. We must all do everything we can to keep youth club safe & open for you. Do your bit, follow the signs we've put up, sanitise your hands regularly, respect each other's social distance and enjoy youth club in the safest way possible!
